

UNITED MAINE COON CAT RESCUE LEAGUE

APPLICATION TO ADOPT A MAINE COON RESCUE

DATE Completed _____

Return of this application to United Maine Coon Cat Rescue League acknowledges that I realize a cat adopted through the Maine Coon Rescue league will most likely not have papers to certify that it is a Maine Coon cat; but that League members have identified the cat as a "likely" Maine Coon.

I also acknowledge that by adopting a rescued Maine Coon, that the cat I adopt most likely will need extra love, patience and a degree of personal attention above that of a cat being adopted from a loving home. I agree to dedicate the time, energy and personal resources to work with my adopted Maine Coon to rehabilitate him/her and do whatever is necessary to see that the cat becomes a much loved pet.

I also agree to never desert this animal; and realize I am adopting the cat for its lifetime. I also am prepared to pay the Maine Coon Rescue League an adoption fee to help offset the cost of spay/neuter and rescue housing for this cat (fees will be set/discussed as part of the process to match an Applicant to a specific cat). I also agree to pay for all costs associated with transporting my adopted cat to me.
